House Reconsiders Bills Contrary to Statutes.

Joseph N. Judge, Clerk of the House, apprised Speaker Hughes yesterday that the House had violated the City Charter at its meeting last Friday night, A week ago the House killed two bills, one providing for an air filtration plant for the

City Hall and the other permitting the Waters-Pierce Oil Company to erect and mainters-Pierce Oil Company to erect and main-tain a private scale.

Last Friday night, on the motion of Fon-tana, both bulls were reconsidered and passed. This is in violation of the charter which states that a motion to reconsider a vote by which any bill is lost must be made at the same meeting or no action can be taken.

The bills now stand as lost, and must be introduced in the Assembly again, in order

CRECHE **NURSE**

DAVIS.

318 Maryland St., BUFFALO, N. Y., Sept. 28, 1901. Nurses, as a rule, have very little faith in patent medicines, but experience has taught me that Wine of Cardui is an honest medicine.

I have attended a number of cases where the patient was a woman broken down with the female trouble peculiar to her sex-inflammation, ulceration and falling of the womb, irregular and painful menstruation-and I have noticed that the physician often used Wine of Cardui with great success, after other remedies had failed.

I have recommended it myself very often, and feel that I am doing sick women a good turn in so doing.

MADAM MARLIANI

No. 2925 Wabash Ave., CHICAGO, ILL., Oct. 20, 1901. I consider Wige of Cardui better than doctor's prescriptions or any other remedy for female trouble.

I have tried many, both in this country and abroad, having been a sufferer eleven years, and nothing cured me until I used your remedy.

I had such excruciating pains at times that I wanted to die, and indeed a life of suffering is not alluring to anyone. Your splendid medicine strength-

ened my nerves, restored my appetite and built up my entire system, and I now enjoy perfect health.
